Friday 22nd May 2026

Dear Parents/Carers,

As we come to the end of another successful term, I would like to thank all students and families for their continued support and engagement throughout Term 5. I would also like to add my personal thanks for the warm welcome I have received into the Brightstowe community.

We have been incredibly proud of the maturity, resilience, and determination that our Year 11 students have demonstrated throughout the exam season so far. We know that this success is strengthened by the strong partnership between school and home, and we are very grateful for your ongoing support.

We would also like to wish all students the very best in their upcoming end-of-year and Mock exams. For year 10, mock 0 exams start the first day back after our half term break. We encourage all students to continue preparing thoroughly, attending school every day, and making the most of the support available to them.

Term 5 has been busy and rewarding, filled with memorable experiences, exciting opportunities, and achievements across the school community. We are pleased to share some of the highlights, including our Year 10 Mock Interviews, Envision donation, Year 8 Future Ready trip and visits to Primary Schools to meet Year 6 students for their Transition Day.

Our Year 10 students went through the mock interview process on Tuesday 28th April.

Thursday 30th April was the final day of the Envision donation drive. Thanks to the Brightstowe community the Year 10 Envision team have made 150 snack packs to be given to students who need support.

The Year 8 Future Ready group visited Atkins Realis on Friday 15th May. They were tasked with building a bridge to a specific design and budget brief. They also took part in a Lego challenge and found out more about carbon emissions.

Mr Keys accompanied by our Principal, Ms Hopwood, and 2 Year 7 students visited the wonderful Y5&Y6 children at Shirehampton and Sea Mills Primary School for their induction to ***#TeamBrightstowe***

Our Year 11 Team is overseeing the planning and organisation of our PROM, scheduled for Thursday, 18th June.We are looking forward to celebrating the end of their Brightstowe jouirney with Year 11.

Attendance and Punctuality

We encourage all students to maintain an attendance rate above 97%, as consistent attendance is closely linked to academic success. Students with attendance above this threshold are statistically more likely to achieve positive educational outcomes.

To support this, we kindly remind all families that students are expected to arrive at school by 8:40am each morning.

If you would like support in improving your child's attendance, please do not hesitate to contact the pastoral or year team.

Uniform Reminder

As students return to school, it is essential that they adhere to the school's uniform policy. The following items are **not** permitted as part of the school uniform:

Hoodies, leggings, jersey skirts, bed socks or any footwear that is not black and polishable.

Blazers are a mandatory part of the school uniform, and all students are required to wear upon their return to school. While tailored shorts are allowed, sports shorts are not permitted as part of the uniform.

We appreciate your cooperation in maintaining our school's dress standards. A list of uniform can be found on our website link here. As ever, if there are any issues with obtaining the correct uniform, please can you contact your child's Head of Year so that we can assist.
