Re: Year 8 Parents' Evening

Dear Parents and Carers,

As we prepare to start for the summer term, we would like to invite you to the **Year 8 Parents' Evening**, which will take place on **Thursday 23rd April 2026**, from **4:00pm to 7:00pm**.

This evening is an important opportunity for you to meet with your child's subject teachers, discuss their progress, and gain a clear understanding of their strengths and areas for development. These conversations are a vital way to receive feedback from your child's teachers and their progress to date, ensuring your child's success throughout the rest of the academic year.

The Year 8 reports will also be given out at this event, which include the results of your child's mid-year assessments, which took place during the spring term.

The **SchoolCloud booking system is now open for Parents Evening**, and you are able to book your appointments at your convenience. You will have received an email today containing your login details and instructions on how to access the system. If you cannot see the email, it may have gone to your junk emails.

To further support you and your child, there will be opportunity to discuss your child's progress holistically with other members of staff, including the Assistant Head of Year, Miss Sert.

Thank you for your continued support, and we look forward to welcoming you. Please do not hesitate to contact the Year 8 team if you require support in booking appointments for Parents' Evening. Kind regards,

Miss N Faill

Assistant Principal,
