22nd May 2026

Dear Parents/Carers,

We are writing to inform you that, as part of our continued investment in digital learning, the Academy will soon be replacing the student iPads across the Academy.

Through the Horizon programme, each student has been provided with an iPad, this enables a more engaging and dynamic way of learning both in the Academy and at home. As you'll know, technology often requires upgrades and changes, this replacement programme, the refresh, is therefore essential to maintain this function.

In preparation for this process, all students in years 8, 9 and 10 will be required to return their current iPad device together with the charger and case provided. New replacement devices will then be issued by the Academy.

We would also like to take this opportunity to remind you that in line with the Oasis Horizon Home Use Agreement (Oasis Horizons Home User Agreement), any devices that are lost or damaged through misuse will not be replaced by the Academy. In such circumstances, parents/carers will be liable for the full replacement cost of the iPad.

The refresh is due to take place the week commencing the 22nd June 2026, further details regarding the collection and replacement process, including return dates, will be communicated in due course.

Thank you for your continued support.

Kind regards,

Rachel Hopwood

Principal
Oasis Academy Brightstowe
