

Welcome, we are Caterlink, your food service provider in the School.

Who are we?

Currently running over 1,500 individual locations across the UK, Caterlink focuses solely on the state education sector in secondary, primary, college and 6th Forms. We are the largest independent caterer in the UK. It's going to be a busy summer here with lots of hard work and changes happening to welcome you back to School in September.

Our menus are well balanced, exciting and focus on value and health while ensuring that we offer food that reflects current trends on the high street.

We have a number of concepts such as Quirky Bird, which is our version of Nandos as well as others such as Mexican Kitchen, Pizza Market, Lebanese Street Food and of course your favourites are still there – roast day and fish and chips!

We have value offers such as our 99P street providing you with a variety of hot food items that represent excellent value for money and our mix and match items.

Keep an eye out for our promotions, meal deals, loyalty vouchers and much, much more. We look forward to welcoming you!
