

We are a local family run business based in Avonmouth, operating in excess of 40 years supply accident repair, body building and repainting of Vans and Commercial Vehicles to all local, and national blue chip companies. We are a well-recognised business in our field with a resulting reputation.

We currently are in the process of enrolling with an automotive training provider specialising in apprenticeships, specifically school leavers, ranging from 16-19. The Apprenticeships are for a 2 year period and each candidate should have predicted GCSE grades 'C' or above in English and Maths.

The Apprenticeships framework consist of 3 elements – workplace evidence, technical certificate and functional skills and is also currently advertised on the National Apprenticeship Services web site.

Current positions available are:-

- Vehicle Panel repair
- Paint sprayer

Please make all candidates aware of our location and their possible logistical issues resolved before applying. There is a bus service – No 3 which operates the area. Please see below

Bristol Centre - Avonmouth - Cribbs Causeway

Should you have any interested students, I have attached an application form, and I would appreciate all completed forms to be emailed to emma@presscommercials.co.uk, where we will evaluate each student along with our training provider and respond accordingly.

We are working hard with the local community to try and recruit local staff, and trainees and this new venture we hope to be a success, so that we can offer similar positions for the subsequent years ahead.

We look forward to hearing from you and thank you in advance.

Yours faithfully

Emma Warren
