

Tuesday 23rd November 2021

Dear #TeamBRIGHTstowe parents and carers,

I am writing to inform you that I have made the difficult decision to close the academy to all Year 8 and Year 9 students with effect from tomorrow and for the rest of this week.

The decision has been made in conjunction with Oasis Community Learning, due to an increase in staff absences to a level that means we cannot run the academy safely for all students at this time.

Years 7, 10 and 11 should continue to attend as normal. We will work hard to provide their normal timetabled lessons and I will – at all times – put their safety first.

Year 8 and Year 9 students and families will receive further information from us tomorrow about online learning, free school meals and other matters.

I understand the challenges this will pose for many of you and I can only apologise for this.

Stay safe and #ShineBRIGHT,

Alan Dane
Principal
